2 The proposal of the Chairman involve the acquisition of land from two parties viz. 1 the Durbar Govt. 2 Private parties in the state. First Survey No 266 has to be acquired from the Mysuad Mohammedan and recently Survey nos 322 & 323 have to be acquired for locating the Timber depot, and for utilising it also for other Trust purposes. Strictly speaking the acquisition of 322 & 323 for another party — more or less of a private nature is not correct, especially as the land used for the previous present depot was obtained by private acquisition arrangement. But since No 266 has to be taken in any case it is only fair to grant suitable land elsewhere. It would therefore be advisable to acquire all the three numbers in

portion for purpose of the Tuticorin road, and then alter as much as is necessary for the Tuticorin depôt. Proposals for the acquisition of the 26 bighas not here noted have also to be called for and the declaration in the case of the latter may be sanctioned

States that, since the Wynad Forest-officer prefers to have another land in exchange near the Okkad and not elsewhere and since the Trust Board have no lands of their own near the Okkad to give in exchange, it is not possible to bring about any private arrangement and that proposals for acquiring S nos 322 & 323 and then giving a portion thereof to Kasras Govt, reserving it first for Trust Board purposes were therefore made to Govt

7 As the Wynad Forest officer is said to prefer another suitable land for survey Compensation near the Chatnahalli Okkad, the only course left open for the Trust Board is to acquire in the first instance the whole of S nos 322 & 323 for their own purposes and then given a portion thereof to Kasras Govt in exchange for the portion

In exchange for the land now proposed to be acquired, he is anxious to have another piece of land suitable for purposes of a timber Depot, instead of money compensation A portion of survey Nos 322 and 323 measuring 11 acres 28 guntas of the Mysore Kasaba Village (opposite the Chatnahalli Odkad) may be allotted for this purpose

I have therefore to request that you may be so good as to move the Government to arrange in communication with proper
